

AMENDED IN ASSEMBLY APRIL 22, 2013

CALIFORNIA LEGISLATURE—2013–14 REGULAR SESSION

ASSEMBLY BILL

No. 938

Introduced by Assembly Member Weber

February 22, 2013

An act to amend Sections 2101, 2106, and 2212 of the Elections Code, relating to elections.

LEGISLATIVE COUNSEL'S DIGEST

AB 938, as amended, Weber. Voting: felons: parolees.

The California Constitution requires the Legislature to provide for the disqualification of electors while imprisoned or on parole for the conviction of a felony. Existing statutory law specifies the qualifications for registration as a voter and excludes from eligibility a person who is in prison or on parole for the conviction of a felony.

Existing law establishes a program of postrelease community supervision, under which certain persons who were convicted of a felony, upon release from prison, may be subject to community supervision provided by a designated county agency. Existing law also establishes mandatory supervision, under which a person convicted of a felony that is punishable by imprisonment in a county jail may serve a concluding portion of his or her sentenced term under the supervision of a county probation officer.

This bill would provide that a person is excluded from voter eligibility if he or she is in state *or federal* prison or on state *or federal* parole *or federal supervised release* for the conviction of a felony. This bill would specify that state parole does not include a person on postrelease community supervision or mandatory supervision.

Under existing law, the county elections official is required to cancel the voter registration of a person who is presently imprisoned or on parole for conviction of a felony. The clerk of the superior court of each county, on the basis of the records of the court, is required to furnish to the chief elections official of the county a statement showing the names, addresses, and dates of birth of all persons who have been convicted of a felony since the clerk’s last report. The elections official is then required to cancel the affidavits of registration of those persons who are currently imprisoned or on parole for the conviction of a felony.

This bill would specify that the court clerk’s statement must include only those convicted felons who have been sentenced to state prison and would *require that the statement also include the last four digits of the person’s social security number, if available.* The bill also would specify that the county elections official *is required to* cancel the affidavit of registration of a person imprisoned or on state parole for a felony conviction whose name, address, ~~and~~ date of birth, *and the last four digits of his or her social security number, if available,* are the same as reported on the court clerk’s statement.
